

THE WILDLIFE SOCIETY  
SAN FRANCISCO BAY AREA CHAPTER

January 3, 1968

To: Members, San Francisco Bay Area Chapter, and fellow wildlifera:

The annual business meeting is all set for the night of January 26th, and we have again come up with a different sort of "happening." In keeping with present day thinking, this will be an either - sex (mate or beau) dinner meeting, particularly as follows:

Time: January 26, 1968 - 7:00 P.M.

Place: Wing Kong Restaurant, 2005 Shattuck Avenue, Berkeley  
(Shattuck at University Avenue)

Price: \$2.45 per person

Food: Chinese, excellent quality

Program: A few announcements  
Count of ballots  
Illustrated talk "Wildlife Problems and Potentials  
in East Africa" - Dr. William Longhurst

Be sure to come and hear Bill talk about an interesting subject. He has recently returned from East Africa and will present, as always, an enjoyable program. Let's make this the best chapter turn-out yet!!

Enclosed for your use are the ballot for next year's officers (nominees chosen by nominations committeemen Dick Hubbard, Wendell Miller, and Bob Lassen), and your reservation for the dinner. It is important that these be mailed to me by the 20th so the restaurant people can make their plans. A brief description of the nominees might assist you in voting:

Nominees:

George Kostal - District Biologist, Environmental Planning Section,  
Army Corps of Engineers
